Sonoma Mountain**

Winemaker Joe Otos has been crafting award-winning wines from the prestigious Kaufman Sunnyslope vineyard since 2008. A six-acre site on the cooler north side of the renowned Sonoma Mountain appellation, it produces true cool-climate Pinot noir grapes of the highest quality.

A product of a near-perfect growing season, our well-balanced 2013 *Willowbrook Cellars Kaufman Sunnyslope Vineyard Pinot noir* displays nuanced aromas of cola, cassis and pine. On the palate the wine offers abundant and interwoven flavors of blackberry, mushrooms and allspice. The subtly smooth mouthfeel leads to a well-focused finish of complex, nutty tannins and mouth-watering acidity.

The 2013 *Willowbrook Cellars Kaufman Sunnyslope Vineyard Pinot noir* is ready to drink now but would also benefit from aging for the next five years. It pairs naturally with herb-encrusted roast pork or Manchego cheeses.
