Dry Creek Valley

Appellation

Dry Creek Valley

Variety

100%

Sauvignon blanc

Alcohol

13.7%

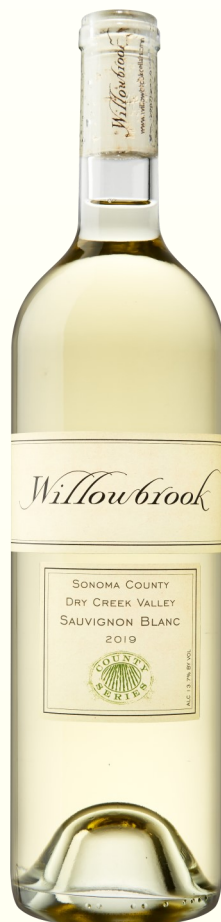

Aging

Stainless Steel
Tanks

Bottle Size

750 ml

Bordered by Lake Sonoma and the Russian River, Sonoma County's tiny Dry Creek Valley AVA is famed for producing rich and nuanced Sauvignon blancs. Warm summer days and cool, foggy nights allow the grapes to develop distinct flavors while maintaining a refreshing acidity.

Our 2019 *Dry Creek Valley Sauvignon blanc* displays beautiful aromas of lychee and orange blossom.

On the palate the wine has interwoven flavors of apricot, pineapple and lemon rind well-balanced by expressive notes of gooseberry and fresh herbs which focus the soft mouthfeel.

An almost-dry finish lingers, with flavors of lemongrass and almond complementing a refreshing crispness.

We recommend pairing alongside pasta alfredo with sausage, or fennel and orange arugula salad.
